The project is comprised of one and two bed apartments, with new style walk in showers, large balconies, private covered parking and storage room. The internal areas have been designed to offer maximum comfort and convenient living. Customized modern kitchens with granite worktops are also incorporated.

This very eloquently named building is in a quiet residential area in the city suburbs. There is a green park next to the plot and the beach is only few km away. It is also near to the famous Kamares viaduct, supermarkets, schools, entertainment facilities and other local amenities, including the new Mall of Larnaca. There is very easy access to the town centre, the highway network and Larnaca Airport from this point.
