Detached villa in Frenaros, Famagusta

€475,000

 Frenaros, Famagusta

This exceptional, fully renovated detached home offers an impressive 380 sqm of covered living space on a 510 sqm plot, combining modern comfort, flexibility, and character in a peaceful and highly sought after setting. Located in a quiet residential area of Frenaros, the property enjoys open views, a low noise environment, and the significant reassurance of separate Title Deeds for the land and house deeds available, with all paperwork in order.

The home has been renovated throughout to a high standard, with attention given not only to finish but to long term comfort and efficiency. Internal walls have been upgraded with professional thermal insulation lining and replastering, while solar control glass has been installed to reduce heat from the sun and improve year round
