Residential Plot in Ayios Athanasios, Limassol

€290,000

 Ayios Athanasios, Limassol

A 606 square metre residential plot in Ayios Athanasios offers scope for a substantial property development. The plot is large and well-positioned for building, with convenient access to the highway.

Ayios Athanasios is a residential area that forms part of the greater Limassol region. The settlement carries the everyday amenities of an established suburb: supermarkets, pharmacies, and restaurants serve the local community. The area is built primarily of apartments and detached houses, most of them low-rise.

Contact Arazo Estates to discuss the development potential of this plot.
