4-Bed House in Strovolos, Nicosia

€330,000

📍 Strovolos, Nicosia

This four-bedroom house occupies a large plot in Strovolos and spans 220 square meters of living space. The layout includes three bathrooms and comes partially furnished, offering immediate occupancy for a buyer ready to move in or develop the property further.

The main residence is arranged across multiple levels, with bedrooms situated to provide privacy and bathrooms distributed throughout the home for convenience. The interior benefits from the generous footprint of the plot, allowing for natural light and air circulation through the property.
