3 Building Plots As 1 For Sale in Meniko, Nicosia

€270,000 +VAT

Three adjacent building plots totalling 5,019 square metres are offered for sale as a single parcel in Meniko. The combined size allows for substantial residential development or subdivision into individual properties. Each plot is cleared and ready for construction.

The plots' substantial area accommodates flexible design options, from a single large residence to multiple units depending on local planning permissions and buyer intent. All three parcels are being sold together to preserve the opportunity for coordinated development across the entire site.

Contact Arazo Estates to discuss the development potential and arrange a site visit.
