

#13574

Residential Plot in Xylotympou, Larnaca

€535,000 +VAT

 Xylotympou, Larnaca

Spanning 8,471 square meters in Xylotympou, this building plot is available for purchase at 535,000 EUR plus VAT.

Designated for residential use, the parcel provides open ground suited for new construction. Highway connections allow straightforward regional transit, with village retail and municipal services supporting daily routines.

Xylotympou is an inland village situated in the Larnaca district. Low-rise houses and open agricultural parcels define the surroundings. Local bakeries, pharmacies, and grocery shops supply everyday essentials. Larnaca sits roughly 20 minutes away by road.
