3-Bed Villa in Pernera with Sea View

€660,000 +VAT

 Pernera, Famagusta

This off-plan detached villa in Pernera spans 192 square meters of internal living space and captures open sea views.

The interior layout encompasses three bedrooms and three bathrooms, arranging the living, dining, and cooking zones across a functional footprint. Sleeping accommodation is distributed alongside dedicated bath facilities, while wide openings in the main reception space direct natural light inward and look toward the water.

Outside, a private swimming pool anchors the grounds, creating a dedicated open-air space positioned to take advantage of the coastal setting.
