Expansive Tourist Building Plot in Alaminos, Larnaca €4,000,000

 Alaminos, Larnaca

Offering an extraordinary scale of opportunity, this expansive tourist building plot covers an impressive 108457 m² in the picturesque setting of Alaminos, Cyprus. The land presents a versatile blank canvas for forward-thinking developers seeking to create a signature leisure or hospitality destination.

With its dedicated tourist zoning, this expansive parcel accommodates a wide range of development concepts, from secluded holiday retreats to comprehensive resort facilities. The generous land area allows ample freedom to integrate modern architectural concepts, lush open-air landscaping, and generous guest amenities while harmonizing effortlessly with the natural Mediterranean surroundings.

Alaminos is well known for its quiet coastal charm and authentic village character, offering visitors and residents a relaxed pace of life away from bustling city centers. Its strategic position within the Larnaca district also ensures straightforward travel connections to regional transport links, coastal amenities, and nearby towns.
