Residential Building Plot in Xylofagou

€135,000 +VAT

 Xylofagou, Larnaca

Offering an expansive 3420 m² of residential land, this substantial building plot in Xylofagou presents an exceptional canvas for your vision. Whether you are planning to design a bespoke custom residence with expansive grounds or develop a distinctive residential project, the generous dimensions provide an inspiring balance of flexibility, space, and privacy.

The scale of the parcel easily accommodates grand architectural concepts alongside generous outdoor living zones, lush gardens, or private leisure areas. It is an ideal setting for anyone looking to craft a tranquil home environment tailored precisely to their lifestyle requirements without feeling constrained by typical plot boundaries.
