Expansive Residential Building Plot in Pyla

€1,250,000 +VAT

Pyla, Larnaca

Presenting an exceptional development opportunity in Pyla, this expansive 13266 m2 residential building plot offers remarkable scope for visionary builders and investors looking to establish a presence in Cyprus. Its generous footprint provides an inspiring blank canvas suited for a bespoke private estate or a masterfully planned residential enclave.

With clear residential designation, the site affords extraordinary freedom for creative architectural design. The generous land area allows for spacious plot subdivisions, sweeping gardens, and comfortable outdoor living spaces that easily cater to modern lifestyle demands.
