#14028

Modern 1-Bed Apartment

€241,800 +VAT

Ekali, Limassol

Currently under construction in the sought-after district of Ekali, Cyprus, this modern one-bedroom apartment offers 50 m2 of bright internal space complemented by an Energy efficiency A rating. Designed for comfortable living, it presents an appealing choice for professionals or couples seeking a quality contemporary home.

Positioned on the first floor of a three-story building with convenient elevator access, the residence opens into a well-proportioned open-plan layout connecting the lounge, dining, and kitchen areas. Delivered unfurnished, the interior provides an inviting blank canvas to style to your personal taste, accompanied by a quiet bedroom and a sleek, modern bathroom.
