#14073

Apartment Building in Lakatamia

€400,000

Lakatamia, Nicosia

Offering an excellent investment opportunity, this two-storey residential complex in Lakatamia provides a total of approximately 258 m^2 of covered internal area. Built in 2011, the property comprises four self-contained apartments, making it an attractive option for investors seeking a versatile residential asset in an established location.

The complex consists of two two-bedroom apartments and two one-bedroom apartments, all conveniently accessible via the building's elevator. The property is being sold as a single unit, offering the significant advantage of acquiring all four apartments together.
