

Modern 2-Bed Apartment in Strovolos

€230,000 +VAT

Strovolos, Nicosia

Currently under construction in the sought-after residential community of Strovolos, this bright two-bedroom apartment offers 82 m2 of carefully planned internal space. Situated on the first floor of an intimate three-story building served by an elevator, the home boasts an energy efficiency rating of A, ensuring excellent thermal comfort and reduced running costs year-round.

Designed for effortless contemporary living, the layout connects the main living and dining areas in an airy open configuration that maximizes natural light. The property features two quiet bedrooms and two well-appointed bathrooms, providing ample space and privacy for everyday living. Offered unfurnished, the interior is a blank canvas
