The property is available from 1/10/2026 to 31/05/2027.

This detached villa sits on elevated ground in Protaras with views across the village, the surrounding countryside, and toward the sea. Built in 2015, the 160-square-meter home offers three bedrooms and two bathrooms arranged across an open floor plan.

The master bedroom opens onto the main living area, which flows naturally into the kitchen. Two further bedrooms serve the guest rooms, and both bathrooms are fitted to modern standards. The layout works well for short-term
